### Total Joint Center Informational Classes

Skokie and Highland Park Hospitals offer an education class for any patients scheduled for a total joint replacement procedure. A hospital nurse, physical therapist, pharmacist and social worker will provide information regarding the procedure itself, pre-operative instructions, and post-operative rehabilitation. We ask you to please attend the class prior to surgery at your convenience. Please call the Joint Center to schedule the date and location for your class. Family members are welcome to attend the class with you.
